Fees

In an ongoing effort to serve you, we would like to help you understand your insurance benefits and patient statements.

We strive to give the most accurate financial estimates based on the information that your insurance carrier gives to us. No one likes surprises, and we try very hard to ensure that you understand the cost of your dental treatment prior to receiving care.

It is important that you understand that until we actually receive payment from your insurance company, we can only provide an estimate of your share of costs.

We are increasingly aware of insurance companies who base their payments on what they call an "allowable fee" rather than our usual and customary fee. Generally, the allowable fee is an internal, unpredictable amount that is less than our fee. This effectively lowers your insurance benefit. 100% coverage can sometimes be less than payment in full when the "allowable fee" is less than our usual and customary fee.

Explanation of Benefits

Please be sure to review your "Explanation of Benefits" that should be sent to you by your insurance company within 3-4 weeks after your appointment. This will show you the amount we have billed, your insurance company's "allowable fees", the amount they paid and your expected patient responsibility. As always, if there is something you do not understand, we encourage you to call right away and we will be happy to assist you in understanding your billing statements or your insurance correspondence.

Assignment of Benefits

I assign all dental payments to which I am entitled from any Insurance Company to Valley Oak Dental Group. I wish this to stay in effect until revoked by me in writing. I understand that I am financially responsible for all charges if they are not paid by my Insurance Company within 30 days from claim and billing date (professional services are rendered and charged to the patient or guardian and not to the Insurance Company).

Collection Fees

In the event that legal action is necessary to collect a debt, ALL fees associated with collection, including but not limited to, attorney fees will be assessed and are the responsibility of the patient and/or account holder.

I authorize Valley Oak Dental Group to release any dental information to my Insurance Company. I wish this to stay in effect until revoked by me in writing.

I have read this agreement and understand it. I have also received a copy of this agreement.
